How do I select the right piece of jewelry that he/she will love wearing

Jewelry is a fun gift to receive, but it can be daunting to figure out how to select the right piece to give. Would you describe the recipient's style as sporty or classic—jeans and a sweater or wool pants and blazer? Do they wear mostly blacks and solids or colors and patterns? Jewelry items have "personalities" and we can help you find the perfect piece for your lucky recipient!

How can I make gift cards more meaningful?

Expand beyond the digital world by giving experiences. The gift of beauty for both men and women remains a strong leader for this holiday season. Gift cards offer beauty experiences and an opportunity for the receiver to look and feel great about themselves. Look for added specials with gift card purchases so you don't forget to treat yourself! *Bonus: Embellish gift cards with a specialty beauty treat.*
